

REQUEST FOR INFORMATION (RFI)

Requested Team University of Ottawa **Date** September 20th, 2023

Competition GNCTR 2024 **RFI No.** RFI_013

ISSUE DESCRIPTION AND REASON FOR RFI

Can liquids leave the toboggan during braking for aesthetic purposes, they will be environmentally friendly, and will not result in ice?

RESPONSE

No substance will be allowed to leave the toboggan during braking or any duration of a Team's race.
