

REQUEST FOR INFORMATION (RFI)

Requested Team UBCO **Date** July 17th, 2023

Competition GNCTR 2024 **RFI No.** RFI_005

ISSUE DESCRIPTION AND REASON FOR RFI

Appendix C shows a "toboggan runaway protection zone" located below the braking zone, what will this area look like, as in previous years this had been done by hay bails, we are just looking for clarification as to what will be placed here to stop runaway toboggans.

RESPONSE

The end of the 'Braking Zone' will be lined with haybales, and the 'Runaway Zone' will be constructed of haybales and/or alternative measures (such as a slight upward slope).
