

# REQUEST FOR INFORMATION (RFI)

**Requested Team** UBC **Date** January 8<sup>th</sup>, 2024

**Competition** GNCTR 2024 **RFI No.** RFI\_019

## ISSUE DESCRIPTION AND REASON FOR RFI

At GNCTR 2023, teams were required to construct an additional platform for toboggans to rest on in order to be carried up the hill by a magic carpet. We are unable to find any mention of this in this years rules and we would like to confirm that the usual towing hitch is all that is required.

## RESPONSE

This will not be a requirement. The towing hitch is all that is required.
