

# REQUEST FOR INFORMATION (RFI)

**Requested Team** University of Toronto      **Date** September 12<sup>th</sup>, 2023

**Competition** GNCTR 2024      **RFI No.** RFI\_008

## ISSUE DESCRIPTION AND REASON FOR RFI

We are trying to work with a shipping company to get to St. Johns. What is the postal code/address of the location to ship to. Additionally, the OC said that they would take care of internal shipping in St. Johns (i.e. to tech ex, race day, etc.) how can we expect that to look logistically while working with a shipping company ourselves.

## RESPONSE

Below is the shipping address for Teams to send their toboggans to:

*Bob Ledrew & Sons Inc. Moving Services  
78 Glencoe Drive  
Mt. Pearl, NL  
A1N 4S9*

The moving service the OC has acquired will take care of all movement of the toboggans during the competition. The OC will coordinate the local shipping, Tech Ex. and Race Day, with the moving service and ensure crates are received at the warehouse at the address noted.

If any Team require their toboggan to be sent back to their return address at the end of the competition, the Team will have to coordinate with the OC & moving service to have their toboggan stored until pickup.
